HABIB GORGI, CLASS OF 1974

Habib Gorgi has been a remarkable volunteer leader for Moses Brown for 25 years. He has taken on increasingly important leadership roles - from Class Reunion Committees to hosting countless events (with his wife Suzie), and from Chair of the Development Committee to lead Campaign volunteer to clerk on the Board of Trustees. He has played a significant role in several major initiatives. Habib led the school through an intensive strategic planning process that resulted in the largest fundraising campaign in school history (\$56.5 million). He has been the campaign's chief volunteer solicitor, engaging with the Head of School in countless six- and seven-figure solicitations. Habib's partnership with MB has been transformational. ❤️

NORMAN BIRD SANCTUARY

PAT GALUSKA

The Norman Bird Sanctuary (NBS) is delighted and proud to honor an extraordinary volunteer, Pat Galuska. Pat's passion for the sanctuary, as evidenced by her longtime membership and committee involvement, extends to her philanthropic contributions. Upon her retirement in 2015 as a VP at Citizens Bank, Pat began devoting even more time to NBS, assisting the development team with all aspects of event planning and database management. Pat shares her affinity for the Sanctuary, gifting memberships to new neighbors and friends. With her positive energy and cheerful nature, Pat has embraced this organization in every sense and we are the very fortunate beneficiaries. ❤️

Ellen, your direction, your advice, and your sense of humor will always be remembered - thank you! ❤️
